- 12) Clean and sandblast interior of liftstation to remove any existing liner.
- 13) Install cementitious liner to interior of liftstation.
- 14) Install 120 mils Raven 405 high build epoxy (or equal) to interior of liftstation.
- 15) Remove and replace concrete where necessary to perform work.

## **GENERAL SERVICES BID CONDITIONS**

The City of Perry (The City, CoP) reserves the right to award the bid to the lowest responsive respondent and to waive any irregularity or technicality in bids received. CoP shall be the sole judge of the bid and the resulting negotiated agreement that is in its best interest and its decision shall be final.

All materials shall be manufactured within the continental United States. No substitutions will be accepted unless approved by the Water, Gas, or Wastewater Departments.

Price shall be guaranteed for 90 days after the bids are read and received. Price shall include delivery of all equipment and appurtenances to the following location unless changed by the Water, Gas, or Wastewater Departments:

City of Perry Warehouse  
305 Goff Street  
Perry, Fl. 32347  
850-584-2189

A bid submitted by a joint venture shall be executed by each joint venture. The official address of the joint venture must be shown below the signature.

If the respondent is an out-of-state corporation, the bid shall contain evidence of respondent's authority and qualification to do business as an out-of-state corporation in the State of Florida in accordance with Article 3. A state contractor license # for the State of Florida shall also be included on the bid form. Respondent shall be licensed in accordance with the requirements of Chapter 489, Florida Statutes.

The bid price shall include all equipment, labor, materials, permit(s), FDOT MOT, freight, taxes, required insurance, Public Liability, Property Damage and Workers' Compensation, etc. to cover the finished work called for.

The City reserves the right to add or delete any item from this bid or resulting contract when deemed to be in the City's best interest.

All applicable Federal and State laws, County and municipal ordinances, orders, rules and regulations of all authorities having jurisdiction over the project shall apply to the bid throughout, and they will be deemed to be included in the contract the same as though they were written in full therein.

The City may, at any time, without cause, order Respondent in writing to suspend, delay or interrupt the work in whole or in part for such period of time as the City may determine, or to terminate all or a portion of the Contract for the City's convenience. Upon such termination, the Contract Price earned to the date of termination shall be paid to Respondent, but Respondent waives any claim for damages, including loss of profits arising out of or related to the early termination. Those Contract provisions which by their nature survive final acceptance shall remain in full force and effect. If the City orders a suspension, the Contract price and Contract time may be adjusted for increases in the cost and time caused by suspension, delay or interruption. No adjustment shall be made to the extent that performance is, was or would have been so suspended, delayed or interrupted by reason for which Respondent is responsible; or that an equitable adjustment is made or denied under another provision of this Contract.

In case of default by the respondent, the City after due notice (oral or written) may procure the necessary supplies or services from other sources and hold the respondent responsible for difference in cost incurred. Continuous instances of default shall result in cancellation of the award and removal of the respondent from the bid list for duration of one (1) year, at the option of the City.

An agreement of the time tables and/or schedules of completion of the work by Respondent and the City will be adhered to, all adjustments to the schedule will be agreed upon in advance any exceedances will incur liquidated damages, amounts to be agreed upon before work commences.
