Zone Trash Pick-Up Information and Schedule 2023

There are 4 trash pick-up zones, each with their own designated pick up day. Trash can only be placed roadside the weekend before your zone pickup. Placing trash roadside, other than the day before your zone pickup is prohibited. All the pickup days are on a Monday, other than holidays. See schedule below.

Trash is anything that will not fit in your garbage can, and that is not vegetative debris. If you should have any questions, please call City Hall at 850-584-7161 option 3 during regular business hours.

Vegetative debris is a separate pile that can be placed roadside at anytime. Anything mixed with vegetative debris pile is prohibited.
